Petn. Regn. No. 1886

To

The Dewan of

His Highness The Maharaja of Mysore,

BANGALORE.

May it please your Highness,

With due deference I beg to represent that I am closely allied with the deceased Quaderunnisa Begum a Mysore State pensioner P.P. No. 17 drawing a monthly pension of Rs 42-6-0.

2. The aforesaid Begum breathed her last on the 14th day of September, 1908. A year prior to her demise, she executed a Will in my name. Among other things, it was stated that the religious ceremonies over her grave be performed by me out of her monthly pension which she was certain would be continued to me after her death.

3. It may not be out of place to add that a similar concession as now applied for, was granted in the case of Ghulam Alli Meersudur, grandfather of the said Quaderunnisa Begum and one Mahammad Zeauddin is in receipt of a monthly allowance of Rs 23-0-0 for the performance of religious ceremonies over the grave of said Begum sahiba's grand-father. Mysore Govenn-ment proceedings No. 4470/332 of 2 and 5th. August 1890.-

4. It is also submitted that the allowance granted to Muhammad Alli Kurishi own elder brother of the said Begum has been after his demise distributed and continued among his wife and her children, Mysore Government proceedings No. 1319 P.P. No. 56 dated the 11th. February 1902. It would therefore, I submit, stand to equanimity that the pension allowance of the Begum should be continued to me who according to the Will, am the legal heir.

5. I respectfully state that I have submitted the memorial to the Collector of North Arcot Dist. on 26-2-27 for the con-tinuance of the said pension. The political Officer of the District forwarded the memorial to the Tahsildar of Wallajah Taluk for enquiry and report, my assertions verified by the respectable witnesses and with the records produced by me at the

time of enquiry. I came to know that my memorial was submitted to Your Highness through the British residant, Mysore in Bangalore. The geneological tree and the translation of the Will are herein enclosed for perusal and favourable orders. The Begum sahiba was held in high esteem by Mahammadan community for her respectability of birth and nobility of character Vide Asiatic Annual report dated 12th. June 1799. It is a custom that is observed in all respectable families that annual ceremonies and fathihas should be regularly performed to perpetuate the memory of deceased members.

6. Further I beg to represent that I am a petty clerk in Sub-Magistrate's Office, Ambur. My salary is not sufficient to maintain my large family in these hard and famine days. I respectfully pray in consideration of the nobility and respectability of my ancesters my claims will be favourably considered by your Highness. In the circumstances set forth above I respectfully solicit the favour of Your Highness to consider my pitiable case and render me justice by continuing the pension in my name.

For which act of kindness & sympathy I shall ever pray for your Highess Long Life, sound health and bright prosperity and earthly success.

To

The Governor-General

My Lord,

We have the honour to inform your Lordship that having yesterday taken into consideration the most eligible means of carrying into effect the measures of conciliation towards the principal surviving Surdars of the late Tippoo Sultan (residing at present in the city) suggested by the directions contained in the 2nd. paragraph of your Lordship's letter of the 4th. instant, we came to the following resolution:--

(1) To promise in the name of the company pensions for life to the following persons to the amount specified after the name of each.

	Star pagodas.
Ghulam Ali Meer Suddoor	3,000
Ghulam Ali Khan Vakil	3,000

x x x x x x x

Pension equal to half the amount of their respective salaries under the late Government, such stifend to be continued to them during good behaviour. In our selections of the Surdars named above, we were guided by conaideration referring partly to the services which they have manifested towards British Government, and partly to the high respect entertained for their characters, and the weight and the authority which they are universally acknowledged to pass amongst the Mahammadans of their country.
